

## Upgrading the Pacific Highway

### **Bonville upgrade**

*This project is jointly funded by the Australian and New South Wales governments*

The NSW Roads and Traffic Authority has engaged Abigroup Contractors Pty Ltd to undertake the design, construction and 10-year maintenance of the 9.6km Pacific Highway upgrade at Bonville.

#### **Construction activities – January to March 2007**

There will be construction activity at:

- Pine Creek
- Reedys Creek
- Bonville Station Road
- Archville Station Road
- East Bonville Road
- Williams Road
- Adjacent to Perrys Road
- Overhead Bridge Road

Activities include:

- Fencing installation
- Driving for water bores
- Construction of crossings at Reedys and Pine creeks
- Wetland works behind Grandis Road

#### **Changes to traffic conditions**

Sidetracks will be constructed on Archville Station Road, East Bonville Road and Williams Road, which will require localised traffic control. There will also be changes to the intersection of Keevers Drive/Perrys Road and the Pacific Highway. Nearby residents will be informed of any changes to traffic conditions.

#### **Safety**

Motorists and pedestrians are advised to observe all project signage and traffic control directions during construction.

#### **Construction hours**

Monday to Friday 7am to 6pm and Saturday 8am to 1pm.

Nearby residents will be advised of any construction works occurring outside normal working hours.
