

## Upgrading the Pacific Highway

### **Bonville upgrade**

*This project is jointly funded by the Australian and New South Wales governments*

The NSW Roads and Traffic Authority has engaged Abigroup Contractors Pty Ltd to undertake the design, construction and 10-year maintenance of the 9.6km Pacific Highway upgrade at Bonville.

#### **Construction activities - October to December 2006**

##### **Preconstruction**

Initial works will occur along the route from Perrys Road to Lyons Road including:

- Establishment of information centre at Bonville Station Road.
- Fencing works including temporary fauna protection fencing.
- Vegetation clearing.
- Utility relocation works including phone and power.
- Preparatory works at bridge and local road locations.

##### **Changes to traffic conditions**

There are no anticipated changes to traffic conditions. However, there will be some sidetrack construction work which may require localised traffic control. The community will be informed of any changes to traffic conditions.

##### **Construction update**

There will be construction activity at the following locations:

- Mailmans Track Bridge.
- Bongil Bongil National Park.
- Pine Creek.

##### **Safety**

Motorists and pedestrians are advised to observe all project signage and traffic control directions during construction.

##### **Construction hours**

Monday to Friday 7am to 6pm and Saturday 8am to 1pm.

Nearby residents will be advised of any construction works occurring outside normal working hours.
