Upgrading the Pacific Highway

Bonville upgrade

This project is jointly funded by the Australian and New South Wales governments

The RTA has engaged Abigroup Contractors Pty Ltd to undertake the design, construction and 10-year maintenance of the 9.6km Pacific Highway upgrade at Bonville.

Construction activities - October to December 2007

Works are now underway along the entire length of the Bonville upgrade including all local roads. Works include:

- Continuing bridge works with ongoing piling and the pouring of piers, abutments and decks at all bridge sites.
- Continuing concrete paving, now progressing along the southern section of the upgrade and north of Pine Creek.
- Bulk earthworks, which are now nearing completion.

Changes to traffic conditions

Sid Burke rest area – From 20 September 2007 access has been temporarily closed until completion of the upgrade.

Archville Station Road – From early October 2007 traffic will be diverted onto part of the new section of Archville Station Road.

Strouds Road – From November 2007 motorists normally using the existing northbound Lyons Road off ramp will be diverted to a temporary connection to Strouds Road to access Lyons Road.

Service road near Sid Burke rest area – From December 2007, highway traffic at the southern end of the Bonville upgrade will be temporarily diverted along a section of the new service road adjacent to the Pacific Highway, from Overhead Bridge Road to the Sid Burke rest area. Further notification will be provided closer to the expected date of the traffic switch.

Safety

Please observe all project signage and traffic control directions.

Construction hours

Monday to Friday 7am to 6pm and Saturday 8am to 1pm. Nearby residents will be advised of any construction works occurring outside normal working hours.
