

The background is a solid orange color with two large, overlapping, semi-transparent curved bands that create a sense of depth and movement. One band is a lighter shade of orange and curves from the top left towards the bottom right. The other band is a slightly darker shade and curves from the top right towards the bottom left.

○ **PROJECT TEAM**

Bonville Project, Pacific Highway, Coffs Harbour Environmental Impact Statement

Project Team

Roads and Traffic Authority

Ken Oldfield	Project Development Manager
