## **Bonville upgrade Upgrading the Pacific Highway**

Dear resident

The NSW Roads and Traffic Authority (RTA) has contracted Abigroup Contractors Pty Ltd to design, construct and maintain for ten years the Pacific Highway Bonville upgrade. This project is jointly funded by the NSW and Australian governments.

This 9.6 km upgrade of the Pacific Highway commences in the south adjacent to Perrys Road, bypassing Bonville village and finishes at the junction of Lyons Road, approximately 11 km south of Coffs Harbour. When complete, it will provide continuous dual carriageway between Coffs Harbour and Raleigh.

**From Friday 14 March 2008, local road traffic using Williams Road will be diverted over the newly completed Williams Road Bridge. This will be a permanent arrangement for Williams Road traffic.**

**Motorists are requested to take extra care during the implementation of these changed traffic arrangements.**

Construction work hours are Monday to Friday from 7am to 6pm and Saturday from 8am to 1pm.

Nearby residents will be advised of any construction activities occurring outside normal working hours. Abigroup apologises for any inconvenience that may be caused and asks for your patience during this period.

If you would like more information about the project, please call the project information line on **1800 725 321 (24 hours, toll free)**.

Alternatively you can email [bonville@abigroup.com.au](mailto:bonville@abigroup.com.au), write to PO Box 8047 CHDC, Coffs Harbour NSW 2450, or call in to the project information centre on Bonville Station Road, Bonville. The information centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely

Matt Frodsham  
Community and Communications Manager  
Bonville Upgrade
