

## **Bonville upgrade** **Upgrading the Pacific Highway**

22 August 2006

Dear resident,

### **RE: Property inspection**

The Roads and Traffic Authority has contracted Abigroup Contractors Pty Ltd to design, construct and maintain for ten years the Pacific Highway Bonville upgrade.

This 9.6 km upgrade of the Pacific Highway will commence adjacent to Perrys Road, bypassing Bonville village, and finish at the junction of Lyons Road, approximately 11 km south of Coffs Harbour. This project is jointly funded by the NSW and Australian governments.

Abigroup Contractors is required to inspect and prepare a report on buildings within 50 metres of the worksite, as well as any other building outside this distance it considers appropriate. A record of the current conditions of these properties is required for future reference should damage to property occur during construction activities. Careful planning and every effort is made to avoid impacting on surrounding properties.

Your property has been identified as a site requiring inspection. As a result, access is requested for the purpose of conducting an inspection by Property Survey P/L on behalf of Abigroup Contractors Pty Ltd.

The inspection would take approximately one hour. A copy of the report, including any photographs taken by the property inspector, will be forwarded to you shortly after the property inspection.

A representative from Property Survey P/L will call you in the next week to arrange a time for the inspection. You can be present whilst the inspection is being conducted.

Alternatively, you can contact Shirley Jamison of Property Survey P/L on telephone (02) 9411 2300 to arrange an appointment, or if you have any enquiries regarding the inspection.

Further information about the project can be obtained by contacting the Bonville Community & Communications Manager, Mr Matt Frodsham on the community information line, **1800 725 321** or by email: [bonville@abigroup.com.au](mailto:bonville@abigroup.com.au)

Yours faithfully

Chris Bryce  
Project Director  
Bonville Upgrade
